

## ADVERTISE WITH US

*Be a part of the music*

Support the Oak Ridge Civic Music Association (ORCMA) by placing an ad in our program book as we celebrate our 80th season of live music! Your advertising dollars help us continue our mission of enriching the Oak Ridge community through the arts while providing your business with valuable visibility.

**REACH** Your business will be seen by over 1,200+ patrons at our concerts held at the Oak Ridge Performing Arts Center throughout the season. In addition, we'll be presenting several special performances at other venues in the region, extending your reach even further.

**POSITIONING** Supporting ORCMA contributes to the legacy of a respected arts organization that has been performing and growing for 80 years in the Oak Ridge community. Advertisers will also receive recognition on our website and social media pages. This year, our program book will be available in both a digital format and printed media.

**SPECIAL TICKET OFFER** Each program book advertiser will receive two tickets to a subscription concert of their choice.

Your ad represents your commitment to strengthening ORCMA's role in our region, recognizing its significant impact and importance—not only through the concerts we present, but also through the value we create with our community and educational programming.
